Rental rates are based on 8 hour days, 40 hour weeks or 160 hour months billed on a 28 day cycle. Hours over the allowed amount for the rental period will be invoiced at 10% per hour of the applicable daily rental rate. Rental period begins when an asset leaves ERS location and ends when it is returned. Rates do not include applicable taxes, fuel, transportation, cleaning or disposal charges.

Payment terms are 2% 15, net 30. Accounts exceeding 60 day balances will be charged interest applied daily @ 1.5% monthly rate to balances from the 31st day. Returned equipment must be decontaminated, full of fuel and in rentable condition.

Equipment returned in non-rentable condition due to misuse or abuse will remain on rent to the customer until it is restored to rentable condition.
